

Research Assistant Vacancies & Opportunities

Research Project 2: -

Project Title:	:	Synthesis and characterization of environmental-friendly polyurethane nanocomposites
Cluster	:	Chemistry
Source of Funding	:	FRGS (MoE)
No. of Research Assistant required	:	One
Appointment Duration	:	01.08.16 - 31.07.18 (2 years)
Location	:	Tunku Abdul Rahman University College (KL Campus)
Wages	:	RM1,600 per month
Education Level required	:	Candidate should have relevant BSc (Chemistry) or BEng (Chemical or Material Science Engineering)
Specific Skills / Knowledge required	:	<ul style="list-style-type: none">• Looking for candidate who can work independently, dedicated with his / her work and self-motivated.• Successful candidate should have the interest to study Master degree by research on this topic at the same time
Job Description	:	<ul style="list-style-type: none">• Synthesis and development of polyurethane nanocomposites.• Characterization and application of polyurethane nanocomposites.

Interested candidates who fulfill the necessary academic requirements are invited to send in detailed resume with a cover letter to the following email address: cpsr@tarc.edu.my
