## About us

### Who we are

The Centre for Continuing and Professional Education (CPE Centre) was established in 1999 to provide continuing professional education and lifelong learning opportunities for University's staff, students, alumni and the public. As part of TAR UMT's commitment to continuing education and lifelong learning, CPE Centre is entrusted with designing, developing and delivering various activities, workshops and programmes to meet the diverse learning needs of multiple parties.

## About This Training

How do you present your data and report using Microsoft Excel Chart concisely, effectively, and appealingly? As your audience struggles to grapple with lots of numbers and loads of information, you must choose the most relevant visual techniques and get the message across. This course lets you quickly discover options and styles for your audience to grasp your presentation efficiently and effectively.
