ISO 45001:2018 Occupational Health and Safety Management System Internal Auditor Training

About us

Who we are

The Centre for Continuing and Professional Education (CPE) was established in 1999 to provide continuing professional education and lifelong learning opportunities for University's staff, students, alumni and the public. As part of TAR UMT's commitment to continuing education and lifelong learning, CPE is entrusted with designing, developing and delivering various activities, workshops and programmes to meet the diverse learning needs of multiple parties.

About This Training

This interactive course comprises lectures and workshops on the principles and practices of the internal auditing of an Organisation's Occupational Health and Safety System. It is intended to enable an organisation to improve its Occupational Health and Safety (OH&S) performance in enhancing health and safety at work and to manage its OH&S risks. This course develops the necessary skills to assess and report on the conformance and implementation of processes based on ISO 45001. Participants will learn how to initiate an audit, prepare and conduct audit activities, compile and distribute audit reports and complete follow-up activities.
