About us

Who we are

The Centre for Continuing and Professional Education (CPE) was established in 1999 to provide continuing professional education and lifelong learning opportunities for University's staff, students, alumni and the public. As part of TAR UMT's commitment to continuing education and lifelong learning, CPE is entrusted with designing, developing and delivering various activities, workshops and programmes to meet the diverse learning needs of multiple parties.

About This Training

The high expectations of a successful company representative are difficult to live up to. The challenge is not just in showing competency in skills and knowledge but also in projecting a positive professional image. When a company representative can speak well and confidently in front of an audience, he gains credibility, and so does the company. The audience will be impressed enough to listen to him attentively. He can then influence the audience to buy his ideas or products. He also needs to answer tough questions from the floor to the audience's satisfaction.
