

Trimble Connect

About us

Who we are

The Centre for Continuing and Professional Education (CPE) was established in 1999 to provide continuing professional education and lifelong learning opportunities for University's staff, students, alumni and the public. As part of TAR UMT's commitment to continuing education and lifelong learning, CPE is entrusted with designing, developing and delivering various activities, workshops and programmes to meet the diverse learning needs of multiple parties.

About This Training

The Trimble Connect training introduces the versatile Trimble Connect collaboration platform. The aim of the training is to get to know the Trimble Connect product well and to be able to use its added value within one's organization. As a basis, the participants should be able to deal with technical drawings, 2D and/or 3D. Autocad and Revit knowledge will help the participant in using this Common Data Environment (CDE) platform.
