

ISO 22000:2018 Food Safety Management System Awareness Training

About us

Who we are

The Centre for Continuing and Professional Education (CPE) was established in 1999 to provide continuing professional education and lifelong learning opportunities for University's staff, students, alumni and the public. As part of TAR UMT's commitment to continuing education and lifelong learning, CPE is entrusted with designing, developing and delivering various activities, workshops and programmes to meet the diverse learning needs of multiple parties.

About This Training

This ISO 22000:2018 course will teach about the elements of Food Safety Management System (FSMS). FSMS is a collaborative and systematic approach to effectively managing food safety risks. It is an international standard intended to be used by organizations within the food chain. It contains traditional quality assurance preventive measures plus preventive food-safety measures. The purpose is to provide a practical approach to ensure the reduction and elimination of food safety risks as a means to protect consumers.
