

Enhancing Business Acumen Skills

About us

Who we are

The Centre for Continuing and Professional Education (CPE) was established in 1999 to provide continuing professional education and lifelong learning opportunities for University's staff, students, alumni and the public. As part of TAR UMT's commitment to continuing education and lifelong learning, CPE is entrusted with designing, developing and delivering various activities, workshops and programmes to meet the diverse learning needs of multiple parties.

About This Training

For organisations to achieve a sustainable competitive advantage, there is an imperative need to develop both the strategic and operational capability of Personnel, especially at the Executive level in the organization. Executives must enhance their business acumen skills to move from functional excellence to seeing business in a more holistic and complete perspective and practice. This programme helps to build a strategic view of value creation and details how the executives can identify, analyze, and manage the business opportunities and solve concerns, issues and problems using the skills learnt. It provides executives with hands-on experience working in a simulated business, reviewing and applying standard financial measures.
